Katherine:

Following up on my message to you this morning, our folks here are sifting through claims files to gather some good examples of real scenarios that might further clarify the effect that the proposed changes to S.1125 would have on the number of disqualification weeks. These supplemental scenarios may or may not be in finished form prior to tomorrow's meeting, but I wanted you to know that they are in the works and will be provided as soon as they are completed.

I look forward to seeing you tomorrow at 10:30 a.m.

Regards,

Warren
