KV –

We have to send materials no later than April 1<sup>st</sup> – to meet production deadline. Let me know when you all decide.

Thanks!

Here are our options for both the Jumbotron and the buses that will play on the video. Checking now on what the deadline is to traffic- but guessing it is sooner rather than later.

Let me know what you think!

Attached is the DISCOVER campaign ad that has been trafficked for inclusion in the 2015 on-site spectator guide.

Following is a link to the WOW video on YouTube. If the Governor's Office elects to go with this, we can get the right type of digital file to traffic.
