Dear Ms. Cole, thanks for your email. The bill as currently written abrogates the Second Amendment rights of individuals not convicted of anything. I cannot support the elimination of someone's Constitutional rights without due process.

Sincerely,

Kevin Bryant

Dear Sir, I want to thank you and the SC senate for taking up the very important issue of domestic violence in our state! S-3 has the potential to save so many lives and to help end the generational cycle of domestic violence in SC. I hope you support Senator Katrina Shealy's amendment that will require courts to support the process of transfer of guns from proven abusers. Over 60% of deaths in SC, in domestic violence situations, are caused by firearms. Thank you again for your attention to this matter.
