[lindanunezscpr](#) I keep coming to see these little guys hatch, but so far, no luck. I sure hope to see some before the season's over. ❤️

[ninatz53](#) A couple years ago my grandkids and me were privileged to watch park rangers dig up a nest to see if if any baby turtles were lagging behind. I believe 14 live babies were found and we watched them head for the ocean. What a treat!
