Dear Governor Haley,

I am writing to congratulate you on your nomination to be the next US Ambassador to the United Nations.

I realise your nomination must be confirmed by the Senate, but I would like to take this opportunity to underline how the British Government looks forward to a strong Special Relationship continuing under the administration of President Trump.

The United States and the United Kingdom are, and will remain, strong and close partners at the UN as we advance our common interests and address major global challenges together.

I wish you well in your nomination.

Yours sincerely  
Boris Johnson
