Statement from Governor Nikki Haley:

"I have great respect for the will of the people, and as I have always said, I will support the Republican nominee for president. To the members of the press who are asking, while I am flattered to be mentioned and proud of what that says about the great things going on in South Carolina, my plate is full and I am not interested in serving as vice president."

Hey Chaney... Just checking as her name is already being floated in Trump's search.
