I have been talking to my employee that is working on Broad River road and she has sent great complements of the entire operation. She has bragged about how well organized everything has been. I know how tired and exhausting it must be for all the workers, seeing as many as 6,000 applicants. I hope you can hear my applause for the leaders, workers, organizers, and the citizens. It is a GREAT DAY in South Carolina and this is my State Government pride showing!!!

I really would love to know any of the statistics that you have after our 4 weeks of doing this.
