Hello:

I am a Shipping / Mailing Specialist with the US Postal Service, for the Greater South Carolina Area in which your company is located.

If you do not have a US Postal Service Consultant helping you with your Direct Mail campaign or your shipping solutions, *please give me a call or send me an email*. I would love to speak with you for just a few minutes to see how we can partner and improve your current situation.

I'm attaching a couple files for your review.

I look forward to hearing from you!  
Sincerely,

***Craig Cummings***
