Good Morning,

Thank you for sending the attached. After reviewing this information, I have a couple of questions. Can you tell me who made the purchase and give a description of what was purchased for the line items shown below? Also, it would be helpful to include that information in the future.

Subject: Administration Operating Budget

Danny and Lily,

I have attached the administration operating budget for the State House. I did move the last part of the operating budget from the prior administration after we ensured all bills were paid, which did increase the amount for the current administration in operating. If you have any questions, please let me know.

Thanks,

Ken Burton
