My name is Jennifer Boyer. I know you are closed to the public right now with this coronavirus stuff going on. I just wanted to see when you would be opening back up? or see what I could do as for reserving an area in the gardens for April 20th? I was planning on getting married on Monday April 20th, 2020 at 3:45pm. Typically yall would be open to the public and would not need to reserve the space. There will only be approx. 10 people standing around witnessing us exchange our vows. (would not need any extras just need to use the space, I have already hired a private wedding officiant/notary) I would say that I would only need the space for about a half hour to exchange vows and another half hour to gather around and take pictures. If you could let me know any information you may know that would be helpful to me, I would greatly appreciate it.

Thank you so much,
Jennifer Boyer

We have decided to postpone the ceremony to June 12th because of the coronavirus.

Jennifer- I hope you are staying safe and healthy during this time! Unfortunately the grounds will be closed on Friday, June 12th due to an already booked event.

If there's another date that might work, let us know and we're happy to check our schedule! If June 12th works best for you, the Seibals House and lovely gardens that are open to the public. There are also some lovely places at USC's Horse Shoe and the State House grounds!

Do you all have any events booked for Monday September 21st. I am just wanting to use the gardens by the fountain to exchange our vows that afternoon?
