Governor Haley, Chairman Pryor & Mayor Riley,

Please review the email below from Randall Goldman regarding efforts to honor fallen Charleston County Deputy Joseph Matuskovic.

Randall suggested, and I would like to formally request, that all flags on state, city and county property be flown at half mast on Monday, September 15th in conjunction with the events outlined below and in honor of Deputy Matuskovic.

Sincerely, Leon

Representative Stavrinakis,

I hope my e-mail finds you and yours doing well.

**Monday September 15** is "Lights On for Deputy Joseph Matuskovic" where supporters will leave their front porch light on. A FaceBook page has been created and has over 6K "going" and nearly 30K "invited". The Blue Line Corps is pushing campaign to switch those lights to blue lights in hopes of furthering this drive.

I am working on flooding the front of the American Theater with blue lights and have the message "We Will Not Forget Deputy Joseph Matuskovic" on the marquee. A local news team said they will send a camera crew if I can pull this together.

My Ask

Do you know or can you ask the Governor to have the flags lowered to half mast on this day? I believe this has to come from that office to make it official.

As always, please let me know if there is anything I can do to help make this happen and thank you in advance for your consideration.

RANDALL GOLDMAN
