There's a cover up how the judicial system is set up to not changing the wrong doing of these high officials that suppose to govern the country but yet practice the law of the Roman empire. U are guilty until proven guilty.

I'm signing this petition because my brother has done his time he's been gone long enough away from the family and his kids and his grandkids

it's time for him to come home. He has missed out on a lot with his family and everyone else it's just sad that they continue to keep him in jail and he can't come home to see the light of day. My brother was in the wrong place at the wrong time and everyone knows that, so why hasn't Justice been served for him??? I love you George "BUBBA":

I'm signing to show Support to my family I do know time has been served but unjust. Now being older and understanding more. George was guilty of the the company and being in the wrong place at the wrong time. Several witnesses to support his statement. The men who killed the man have served time and have been released. Time has come and passed multiple of times. He should be released simple as charges were trumped and unjust. He deserves to be released.
