Correct. I haven't found an email or phone number for them, but I will call Hope and figure that out, just wanted to make sure that he was available for that date.

Ok. And did you tell me that you've not yet heard back from Newberry?

I asked them if he could speak towards the end of the meeting in the original correspondence but I will call to confirm with that timeframe in mind.

Go ahead and ask Greenwood how late they'll go. It'll take one hour to get there, so 7:30-7:45

"Hayden, we only have 20 or 25 attend in Abbeville. But, if Kevin would like to come he is welcome. It is April 10th. Jeff Duncan will speak right at 6 or a little after. Greenwood is having their convention that night also. I would suggest speaking there first while Jeff is speaking at ours. If he can only make one, he needs to go to Greenwood. They will have a bigger crowd. I am so proud of Kevin and his family. Get him to the larger counties if possible."
The above is what Abbeville sent me about that night, which is why I ask.

Call them and see how late they'll go, but I can't see how he'd make it. It doesn't hurt to let them know that we'll try.

Would you still also want to try to make it to Greenwood that same night?

Call Abbeville and see how late he can make it. He'll close the store an 6:30, and it'll take 1 hour to get there.

Mulvaney questions Speaker Ryan's ability to govern after failure of Republican healthcare bill

There was not much today in the news but will keep looking for stuff to post. Calling the rest of the radio stations today that I have not heard back from.

Also, the June 5 1st Monday Charleston Club date has been taken but they said he can come anytime in the fall.

Pickens county is now April 24 on the SCGOP website so I am waiting to hear back from Mr. Bowers as to which is the correct date. Also, I have not heard back from Newberry and I haven't been able to find a contact for Anderson, but figured that you or the LG would probably have that information.
