Dear Governor Nikki Haley:

As your constituent, I am writing you today to urge you to oppose any and all gun control legislation that may be considered in the wake of the terrorist attack.

More anti-gun laws will severely handicap my fellow Americans from have access to the tools necessary to stop these tragedies. We have already seen how quickly an armed citizen can stop or delay these type of attacks. This is precisely why we will see more of these terrorist attacks occur in our "Gun-Free Zones". I am all for harsher MANDATORY penalties for those who use firearms in the commission of violent crimes. Our current policy of "rehabilitation" and "probation" are nothing but a "get out of jail free" card so that violent criminals can improve on their tradecraft.

We have seen time and time again that bans do not stem the violent crime in our streets. We only have to look at cities like Chicago and New York who have the harshest gun laws, but some of the highest VIOLENT Crime rates.

While I do not condone the heinous acts that occurred in Orlando, this knee-jerk reaction by anti-gun legislators will only infringe on the ability of law-abiding citizens to exercise their right to self-defense.

Please stand up for my rights and reject any and all calls for new gun control legislation.

Thank you, and I await your response on this important issue. "

Sincerely,  
Jordan Shealy
