Subject: Requested College Board and School Funding Information

Rachel,

Hi, my name is Matt Minnick and I am the interim State Advocacy Director in place of Kate Wallace.

Per your request, here are some items that may be of help to you:

1. Model legislation for our statewide advanced placement partnership including teacher incentive bonuses.
2. A one-pager explaining the basics of the partnership and key results Florida has experienced since implementing the partnership.
3. A copy of Florida State Statute that applies to equity in school-level funding.

If you have any questions, please feel free to contact me; my cell and work number are on my signature below. I apologize for any delay due to our transition. I look forward to working with you in the future.

Thank you,

Matt

Subject: follow-up

Hi Mary Laura,

I just heard Dave Myslinski from the Foundation present as part of a panel at the RGPPC meeting, and I realized that I

never followed up with you all after our meeting. I apologize for not thanking you sooner for your visit to SC. It was a pleasure meeting you, Kate and Cari last month, and we really appreciate your insight and advice.

As a follow-up on our conversation, we are particularly interested in three of the topics/initiatives that you discussed. We would appreciate any additional information you could provide on these.

1. College Board Partnership
2. Free initiatives that Governor Bush implemented
3. Equity in school-level funding

Thank you for taking the time to meet with Christian, Valerie and me and for all of your advice and knowledge on this. I look forward to talking to you again soon.

Warm regards,
Rachel
