Subject: Re: Need a kitchens in myrtle beach location

This is an Indian Cater from Myrtle Beach that is going to start making sauces for sale. She called to talk about her food donation for Sept 20th event for NH and asked for help in locating a test kitchen in Myrtle Beach that is approved but I think she found one now. She is working with the DEHEC person below who has been able to help her. Sorry to bother you! Need her happy as she is doing food for us!
