Subject: Fwd: SC Medicaid Expansion – Beyond Politics to Common Sense | SC New Democrats

F.Y.I.

Help me answer this concern...

Thanks !

Dennis,

I know this isn't from someone in your party, but since you are our representative, would you please look at this article and give me your opinion? You can also insert Dentist, Dental Hygienist, or Dental Assistant in the list of healthcare occupations and think about us in what we do to serve our community.

I look forward to hearing your opinion.

Hank
