**Stephen Perry Williams** Please allocate additional funds for improving the roads and campsites at Kings Mountain State Park. A favorite place to visit but rough roads, poor drainage and unlevel sites are deal breakers for us. We do enjoy Wateree and Huntington Beach!

**Tim Burrell** We need more land to be set aside for state parks . Spartanburg county is loosening land to crazy subdivision daily. No land being. Kept for wildlife or parks

**Sandra Markovich-Nunes** Please make a campground benefits card like GA state parks do. We camp so much but it gets to expensive, we would love more discounts and specials as well!
