National Symposium will be held September 14-16, 2015, at the Westin Alexandria in Alexandria, VA. This years theme is Healthy Together: Community Collaborations in Healthcare Delivery. Please save the date on your calendar for this educational, inspiring, and exciting event!

The annual symposium presents an opportunity for health center staff and other health care providers, public housing resident advocates, and community members to learn about the challenges residents of public housing face. Training and workshop sessions highlight HRSA program requirements as well as health priorities, emerging health topics, innovative outreach strategies and programs to provide quality care to underserved populations.

Information about the call for abstracts, registration process and sponsorship opportunities will be available shortly. In the meantime, if you have any specific questions please feel free to contact Susan Campion at the National Center for Health in Public

Housing ([susan.campion@namgt.com](mailto:susan.campion@namgt.com)) for more information.

Thank you very much and we look forward to seeing you in Alexandria this September!

### **Weekly Digest Launch**

*Learn how your Health Center can save 25% on our 2015 Symposium Registration!*

January is always an exciting time of year. It marks the end of the holiday season and signals the beginning of a new year. For North American Management it signals the launch of our new newsletter! Being launched this month, the North American Management Digest will be published once a week. It will have articles and information relevant to healthcare, housing, government policy, and innovative business strategies. Look for articles submitted by experts in our field as they bring you the latest in news, research, and events.

Starting today, any federally qualified health center who submits an article, to be published in the Best Practices section of our newsletter, will receive a **25% discount** on their registration price for the 2015 Health Center and Public Housing National Symposium. Tell us about any upcoming community outreach events, new innovative programs, recent expansions, Patient Centered Medical Home implementation, challenges, and successes. We want to hear it all. This promotion ends February 27, 2015 and can be used for up to 3 staff members.
