Dear Sir or Madam:

I am writing a state report on your great state of South Carolina. I am requesting information that will help me write my report. Could I kindly be sent a map of the state showing cities and/or physical features?

I would also like brochures and pamphlets regarding any national parks, lakes, rivers, or state facts. In addition, please send any information about tourist areas, places of interest to visit, and general state information.

I look forward to learning about your wonderful state.

Sincerely,
