Director Magill,

I am writing to follow up on conversations between state agencies and the Governor's office, regarding the transfer of state appropriations that your agency uses for state match to draw down federal Medicaid funds to SC DHHS. I would like to schedule a meeting with you or your designated staff to ensure a seamless transition by June 28, 2013.

We plan to use your FY2014 budget submission as the basis of the transfer. If you feel this is not an appropriate number or that we need to reassess the methodology, please let me know.

Thanks in advance for your assistance in this matter. If you have any questions, please contact me.

Sincerely,

Elizabeth B. Hutto  
Interim Deputy Director/CFO
