Absolutely. I left a voicemail for him earlier. I will let you know when the meeting has been scheduled.
Please let us know if you need anything else.

Thank you,

Katherine & Swati:

My old Citadel coach, Art Baker, called this morning. He is 85 years old, a former Clemson coach and Assistant Athletic Director at Carolina, etc. He is a member of the Governor's Commission on Physical Fitness.

They request a meeting with a member of the Governor's staff to update the office on what they are doing, and would like a continuing point of contact to keep the office abreast of their efforts and to receive direction. (They just need a little attention, and any direction you might want to offer). Of course, a brief meeting with the Governor would make their day!

Could you have someone set a meeting with them? Call Coach Baker at 803-735-0691.

Thanks. They just need a little attention - and any direction or encouragement you might deem appropriate. It

will build good will for the Governor in the process.
