Subject: [SOC #35677] **SC ISAC Notification - Keylogger(TDS Serv/TID Serv)** - Office of the State Treasurer / 2015-02-10

The SC-ISAC is contacting you because a system(s) on your network appears to be exhibiting behavior consistent with a **Keylogger(TDS Serv/TID Serv)**. Please include "**[SOC #35677]**" in the subject line for any correspondence concerning this ticket.

This information was received during daily monitoring of your network by the SC-ISAC.

Please see details below. Note: Many forms of malware carry payloads capable of capturing keystrokes, screen images and confidential information etc. Avoid logging into the system with administrative permissions. **All passwords for accounts accessible from affected systems should be changed immediately.**

S.C. law (S.C. Code Ann. § 1-11-490) requires that any reasonably believed un-authorized access to Personal Identifying Information (PII) must be reported to the individuals affected.
