WIS News 10 Sunrise (News)

... it would create a "fix-it" board -- of sorts -- made up of five members selected by government leaders such as governor nikki haley or senate president pro tem hugh leatherman. if the bill does not pass-- lawmakers may propose a budget proviso to the house-- which would also remove the school's board of trustees. we'll have someone at that meeting later this afternoon and will keep you up to date on wistv.com ...
