

Office of the Governor
1205 Pendleton St.
Columbia, S.C. 29201

Dear Governor Nikki R. Haley;

In your response to President Obama's State of the Union Address, you said that the United States has won all its wars. But you forgot that it lost in Vietnam; and all those servicemen who were maimed or died? — for what? Were those presidents condemned as you Republicans condemn President Obama? Of course not. They were white.

I truly believe that all the criticism toward the President is because of the color of his skin. The U.S. is not ready to have a Negro president —

not yet. Did you not notice the ex-
pression of disgust on Boehner's face
when he stood next to the President?
as the smirk of Speaker Ryan's
face as he listened to Obama?

The United States has a long way
to go before it reaches a true dem-
ocracy, in which all races would
truly be equal.

Sincerely,

Mã Teresa R. de Aragão
