South Carolina State Parks

at 18:15:54 on 9/21/2012 UTC · 🌐

Do you wonder what lurks beneath the surface of a pond?

Come to Lee State Park's Life In A Pond program at 10am this Saturday to find out. We will investigate the plants and animals that call the park's ponds home. Everyone gets to capture critters! This program is for children 7 and older.

Fee: \$4 (no entrance fee charged) Pre-registration is required. To register call (803) 428-4988 or e-mail lee@scprt.com TODAY!

Shannon Phillips Morris Wish I would have known about this earlier in the week. I home school and this would have been great for my 2nd grader!!

Julia Cochran We used to swim at Lee and would get spooked by what we called "water spiders" skimming toward us. Didn't know for a long time that they are "water STRIDERS," not spiders....
