Hi Steve,

I just left you a voicemail. Tom Davis asked me to contact you and let you know that he would like to create a safe harbor provision in H. 3101 for PEBA based on concerns that he became aware of this week. He understands I put him in contact with you a few weeks ago but were unable to connect due to an email address issue.

He asked me to have you or PEBA staff reach out to him as soon as possible with proposed language. I am copying Tom on this email so that you can easily respond. I am attaching the latest amendment I have to the bill as a reference to you and PEBA staff.

Please let me know if I can be of assistance.

Thanks,  
Swati
