Hallie and Frank,

Sorry for the delay.

Quote from Haley Deputy Chief of Staff Rob Godfrey, "Governor Haley was pleased to meet with President-elect Trump. They had a good discussion, and she is very encouraged about the coming administration and the new direction it will bring to Washington."

On Background: Governor Haley and President-elect Trump met today in the President-elect's office at Trump tower.

Hi Chaney! So sorry to bug, but I'm under a pretty tight deadline and would really love to quickly touch base on the news that Gov. Haley's being considered for a potential job in the Trump administration. Mind giving me a call or shooting a note? 646-256-0693.

Thanks so much,

Hey there,

Joe Scarborough is reporting that Donald Trump is considering Gov Haley for Secretary of State. Do you have any comment and do you have any info on whether the Governor has been in touch with Trump's transition team? Hallie Jackson is reporting on this for Nightly News tonight.

Please let us know!
