Catherine,  
Thanks for the follow up! We are still plugging away at trying to find funding. We have submitted for a jag grant and waiting on the application period for another grant and this spring for the state funding.  
Nothing really new here but a waiting game.  
Mike

Good Afternoon Chief Mitchell,  
I wanted to check and see if the County grant person had any thoughts on what we provided. I'm happy to speak with them directly if that would be easier.

Good Morning Chief Mitchell,  
I have done a little digging and have found this federal grant: <https://www.bja.gov/Funding/15BWCsol.pdf> . I'm not sure if it will be helpful but other than the funding you have already applied for, this is the only grant I have found.  
I am also linking to the BJA toolkit which is how I found this. <https://www.bja.gov/bwc/topics-gettingstarted.html>

For body cameras, we used our JAG grant funding from OJP for 2017. These awards have not been released yet, but we know our allocation is \$60,426. I think you also had Mark and I fill in the Dept of Public Safety form for body cameras, but it was well after the due date so I haven't heard anything from it.

Please use my new email address: [sphanvey@andersoncountysc.org](mailto:sphanvey@andersoncountysc.org). I don't really use the andersonsheriff one much anymore, I just check it periodically and so I missed your first email about this.

Thanks,

Can you advise on which grant we have applied for?
