Hi Chaney,

Katie is very much interested in having a substantive conversation with Gov. Haley. I also wanted to share an interview Katie did with Sen. Rubio last year. I'd love to jump on the phone with you sometime today if possible? Best, Nancy

Hi Nancy,

Thanks for reaching out unfortunately the governor does not have any availability for next week at this time. However we have your request and will be in touch if that changes.

Thanks,

Chaney
