Will do. I've reached out to Commerce and Cheryl, and we'll get a visit scheduled ASAP. Will let you know when it is as soon as we can schedule. Thanks.

The CEO of Royal Foods in Saluda called me this morning and is in dire need of assistance. He needs to hire 100 people and is having a very hard time. He has contacted SC Works and they keep telling him to fill out an application but he is feeling ignored. Beth please schedule a time to go with Cheryl and the project mgr/leadership at Commerce to go sit down with him at the Royal Foods location. He needs to be listened to and we need to quickly get a gameplan together for him. Pls meet with me in the morning to let me know when a visit will be made. Please confirm I have his name correct and let him know that this is per his request to me. I want to also call him personally tomorrow to confirm the game plan. I will also want to post this hiring info on FB after the gameplan is decided. Please consider this a priority.
