It's been an exciting year for Mars! In addition to announcing our \$1 billion pledge to tackle climate change through our Sustainable in a Generation Plan, we are investing and growing our business - not only through investing in our factories and offices, but through major acquisitions: VCA, Incorporated and Preferred Brands International. Through these exciting acquisitions, we are adding to our U.S. footprint...

Mars has participated in UN Week for the last several years, offering a chance to discuss some of the biggest issues facing society and partner with governments, non-profit organizations, and businesses to develop solutions. To kick off our participation during UN Week in September, Mars offered bright tins of Sustainable Development Goals-branded M&'S® candies and whimsical Fans of Wind art installations that focused...

In partnership with the Tennessee Chamber of Commerce, Mars Petcare hosted U.S. Senator Bob Corker (R-TN), on August 22, for a CEO business roundtable discussion and a tour of the facility at its Global Innovation Center in Thompson's Station, Tennessee. In addition to Mars Petcare North America President Mark Johnson, several other prominent Middle Tennessee business leaders...
