I also found out that they did not actually make a request for the NG kitchen.

Swati and I just spoke with Sele Aligbe with DSS, and he is on top of this.

The Governor just got off the phone with Lexington County (Bo Davenport and Joe Mergo) – they made requests yesterday to DSS/EMD for shelter supplies (water, food, cots, and blankets) and have not heard back. The county has also made a request for a National Guard kitchen – however, Hal Peters has also been working with Mt. Horeb UMC on partnering with Mercy Chefs – not sure which one will be faster.
