

Hi Governor Haley,

Girl Scout Troop 968 from the Lugoff/Elgin area appreciates all you and your team have done to help our great state recover from the flood. Enclosed are several cards made by the girls, who also sent cards to law enforcement, fire and rescue, the National Guard, Camden High School (served as a shelter in our community), Harvest Hope and numerous local organizations which are all still helping South Carolinians recover.

Troop 968 worked to collect clothing and household donations, and the girls helped sort and distribute items through the Columbia Girl Scouts main office. We love our state and stand ready to help any way we can.

Keep up the good work, and your family, team and our state are always in our prayers!

Sincerely,

Girl Scout Troop 968 (Lugoff/Elgin)
