Rob and Chaney,

Just checking one more time to see if Gov. Haley will have any press availability before or after her SOTU remarks. I was going to drive to Columbia this evening to "cover" her remarks, but if she won't be meeting with reporters before or after, I will stay in Greenville. Just covering my bases. Please advise.

Thanks, Tim

Tim this is my state email.

Here is a link to the governor discussing her speech from a media availability last week: <https://www.youtube.com/watch?v=IOD90igBQT4&feature=youtu.be>

Let me know if there is anything else we can get you.
