Dear L/Cpl. Klimek,

I heard about the incredible job you did assisting a mother and her son with special needs when they were stranded on Highway 170. While I can only imagine the challenges and critical situations you must face, often risking your own safety to ensure that of others, I want to let you know how much I appreciate your dedication to the security and well-being of our residents and visitors. You make South Carolina incredibly proud, and I am pleased to have the opportunity to recognize your service to our great state. Michael and I wish you continued success in your career as one of South Carolina's finest. God bless.

My very best,
