Subject: RE: Plaque for DOA Frame

The date on the other 3 need to be Jan. 27, 2014 instead of the day of the Ceremonial.

Carol,

We need to do two more of these. Veldran, can get you the pictures and I will send over the pens with Lamont in the morning. Same everything. The Governor loved the other one.

Thanks,
Katherine

Carol, Katherine Veldran is going to get with you as soon as possible to get a picture, pen, and plaque (see quote below) for the Governor framed. It will be very similar to the ones we have done before.

PLAQUE:

It is amazing that on this day we can say that we passed a strong restructuring effort and we did it together...this General Assembly, this Administration, and now the people of South Carolina are witnessing something that I hope will make all South Carolinians better.

Governor Nikki R. Haley

February 5, 2014

Governor Haley signs a bill that abolishes the Budget and Control Board and creates a Department of Administration.
