South Carolina State Parks

at 19:30:14 on 11/03/2010 UTC ·

Myrtle Beach State Park's annual volunteer day is always the first Saturday in November. Our main goal this year is to work on the nature trail, but we can always match up the skill of a volunteer to a project that needs to be done at the park. Call the nature center at 843-238-0874 to make a difference, this Saturday, November 6th!

Laura Lee Stubbs This would be a great event to get people together that used to work at the park...for a reunion.....
