Governor Nikki Haley  
Office of the Governor  
1205 Pendleton Street  
Columbia SC 29201

Dear Governor Haley:

I am writing to you in my capacity as Chairman of the South Carolina Procurement Review Panel. As I am sure you are aware, the Panel has had a vacancy since the resignation of Melissa Dawson in February of 2015. Although I am certain your office has been working to identify and appoint a replacement for Mrs. Dawson, the Panel has been short staffed for over a year now. While the Panel has been able to fulfill its mission to conduct administrative reviews related to State procurement as mandated by section 11-35-4410 of the South Carolina Consolidated Procurement Code, scheduling hearings with the requisite number of members has been more challenging with only six Panel members.

I have recently become acquainted with someone whom I think would be a wonderful candidate for our vacancy. Her name is Sandra McGuckin, and she and her husband own and operate TCube Solutions here in Columbia. As evidenced by her resume, which is attached, Mrs. McGuckin has many years of experience in the business and IT fields. I firmly believe this background would be particularly helpful in light of the fact that IT procurements make up a large portion of the cases the Panel is asked to resolve. Mrs. McGuckin has expressed an interest in serving on the Panel, and I hope that you will consider her as a candidate. You may reach her by e-mail at [sandy.mcguickin@tcubes.com](mailto:sandy.mcguickin@tcubes.com) or by phone at 803-429-3460.

Please feel free to contact me at 803-920-7140 if you have any questions. Thanking you in advance for considering my recommendation, I am,

Very Truly Yours,

/s/ C. Brian McLane, Sr.
