Katherine,

Merry Christmas! I am writing to see if the Governor would be interested in addressing the Hilton Head Institute Health Policy Forum on January 29, 2016 or January 30, 2016 or simply making an appearance. The time would adjust to the Governor's schedule. The forum is all day on Friday followed by a reception at 5:00 PM or 8:00-12:00 on Saturday. The event will be held at the Westin Resort on Hilton Head Island. If need more information perhaps the following link may help. <http://www.hiltonheadinstitute.org/hhi-events/>

Thanks, Jeff
