I just talked to Ted, and that works for both of us. Thanks – see you then.

Chris,

As regards the Commission on Higher Education search for a new executive director, Betty Horne has asked me to bring the two finalists over to the Governor's Office for you and Ted to meet with them on Friday afternoon. If it suits, I'll bring Rick Sutton at 2 and Harry Miley at 3.

Also, may I briefly stay after the meeting with Dr. Miley so that Ted and you can provide me feedback to deliver back to the committee?

Thanks.

Fred
