Subject: Retirement and Phone Upgrade Announcement

We're Upgrading Our Telecommunications

Dethatcher the "telephone retriever" is retiring.

To better serve you, we are in the process of modernizing our land lines and putting systems in place so that somebody is always at the end of the line when you dial Super-Sod.

Please bear with us as we implement this new phone system.

There will now be a few simple prompts to follow that will lead you to the right person to answer your questions about products, ordering, delivery, or lawn care.

If typing is more your style, we encourage email as another efficient means to reach us.
