This is awesome. I will look over it and if I have any changes, I will get back to you. Next time we have a press release or video or something, can I send it to you to put on the website?

Thank you!  
Tori Beth

Tori Beth,

Darryl mentioned the LG's website (<http://ltgov.sc.gov>)... We can talk to discuss what he wants.

I can make almost any change. As for the picture, it is actually a fixed rotating group of four pictures that can be swapped out (four is the fixed number, and the size is also fixed... so "landscape" pictures normally work best). So, if he has any talking with people one-on-one, speaking to a group, interacting with seniors, presiding over the Senate, etc. that he likes, we can swap them out easily.

I can also change any of the navigation bar wording; there's actually a "News & Media" page already that would be good for press releases; it is currently hidden because I've never received anything to post, but here's the hidden URL as an example: <http://ltgov.sc.gov/Media/Pages/default.aspx>
