Subject: LSCOG 50th Anniversary Invite

To: "Lily Cogdill" <LilyCogdill@scstatehouse.gov>

Dear Ms. Cogdill:

Thank you for your time yesterday.

As mentioned, the Lower Savannah Council of Governments is celebrating its 50th Anniversary this December and would be honored to have Lt. Governor Bryant as our featured speaker. The LSCOG is comprised of 6 counties – Aiken, Allendale, Bamberg, Barnwell, Calhoun and Orangeburg. We are a quasi - governmental entity and provide a number of services to our members and their municipalities – workforce development, aging and disability assistance, housing, community and economic development, etc. Please visit our website to learn more – www.lscog.org

The event will be held on Monday, December 11, 2017; heavy hors d'oeuvres and music begin at 6pm and the program begins at 7 pm. We are inviting some of our federal, state and local partners to the event, along with the legislative delegations and regional business partners.

The event will be held at the Aiken Electric Coop building on Wagener Street in Aiken.

We expect 200 people to attend.

Please let me know if you need any additional information at this time.

Sincerely,

William Molnar, Ph.D.

Executive Director
