Chaney,

I had some clarifications for the governor's travel story I'm hoping you can have to me by today or early Wednesday. The story is slated to run this Sunday with a Thursday noon deadline. Also, I still need a copy of the week of Oct. 5, 2015 schedule.

Thanks again for your ongoing assistance with this story.

- What is the exact process the governor's office engages to alert the Lt. Gov.'s office of the governor's out of state travel?
- Which state agency/agencies did the governor's office reimburse after a recent review of travel? For which trip(s) was/were this reimbursement related to? Why was this trip reimbursed and not others?
- When are state taxpayers responsible for expenses incurred by the governor's political travel?
- Was the governor's RGA trip to Sea Island, Ga., cut short due to the flood last October?

Gavin
