Katherine,

I like the format; one best ball should keep the pace of play at an acceptable level.

A foursome at Harbour Town is a very, very nice "prize" for long drive; some participants might take issue with their inability to have a chance in winning (long drives are almost always won by very good golfers). I might suggest you change that to "straightest drive", giving everyone playing a better chance of winning or use the foursome at Harbour Town for a different purpose.

See you soon, let me know if I can be of any help.

Bob,

Attached is the rules card for the FGI. Please review and make any changes, additions, and/or suggestions.

The layout will change slightly. I just want to make sure the text is accurate.

Wexford has review the rules card.

Thank you for your help! I will be sending you an email this weekend with details about FGI.
