Questions and Discussions From Caregivers

Q: How do I protect Mom's finances without paying a ton to either a lawyer or brother?

My brother says he is going to file a lawsuit against Mom and me, and that he will either drain the account paying for legal fees or I can talk Mom into handing over \$40,000 now.

Q: How do I stop worrying and grieving?

I am an only child of my last remaining parent. Every day when I visit Mom, it hits me so hard that I will eventually be losing a parent.

Q: Why is the rehab facility my mom went to refusing to let her come back?

The doctor told us there was a bed for my mom at the facility. After further inquiry it was insinuated that they are refusing to take her and they won't clarify why.

Q: What should we do for Mom who has been having severe panic attacks since her move to assisted living?

The nurse gave her a Xanax today, but she doesn't seem to be responding to it. I can't come to grips with this, and my sister is feeling the same way.
