Dr. Scheyett,

I apologize for the delay in responding back. I believe we are ready to look at data with a follow up meeting. Are there some dates that you have available?

Thanks.

Hi Tony,

Thanks so much for meeting with me and with Sue yesterday. We're excited about the possible collaboration, both for the CMS Innovation grant and for the evaluation of the impact of OoA services.

Please let us know when your folks are ready to look at data with us for the evaluation, and we'll schedule a follow up meeting.

All the best

Anna
