Governor Haley,

Please repeal the death tax by voting for H.R. 1105. My grandmother recently died and we will have to sell her entire estate to pay the excessively high taxes of 40%. As a depression era woman she saved and did without her entire life so that she would not be a burden to the state (unlike everyone else these days who live like a 90 day account as she would say figuring the govt will take care of them) AND so she could leave something to her children. However this oppressive tax does not tax the rich (they can hide their money) it steals from WORKING MIDDLE CLASS who have done without, worked hard and paid TAXES already on these assets and BURDENS their heirs.

Please stop this injustice by voting for HR 1105. Thank you. Kamala Shadduck
