Hi T!  
Please review the email below and let me know what your thoughts. Cat went to the MUSC event one year to speak to the graduates. Please let me know if you would like to attend if you would like for me to send one of my team members.

Thanks a bunch!

Sue

Sue, Ms. Schultz is looking for a speaker on March 14<sup>th</sup> in Charleston. The Lt. Governor has regretted. I am not sure if Tony or his designated representative want to do this event or not.

Thanks

Gerry

Good Afternoon Gerry-

Just following up from my previous email. We would love to have someone from the Lt. Governors office attend our upcoming Senior Mentor luncheon on March 14<sup>th</sup>. A 15-20 minute talk on what the Center for Aging is doing in South Carolina would be a great topic for all of our senior mentors and graduating medical students to hear.

Please let me know if you are able to send someone to this luncheon.

Thank you for your assistance!

Best,

Gabrielle Schultz

Good Afternoon-

I am emailing the Office on Aging to inquire about possibly having a speaker attend our upcoming Graduation luncheon for the Senior Mentor Program at the Medical University of South Carolina. This will be held on March 14<sup>th</sup> at 12:00noon. We would love to have either Lt. McConnell attend or a representative for your office as the entire audience will be the seniors from the community and their paired medical students.

Please feel free to contact me so that I can discuss further details of our request.

Thank you,

Gabrielle
